**Transition from EPIBOND® 156 A/B Adhesive to EPIBOND® 156-1 A/B Adhesive**

Dear Valued Customer:

As indicated in our previous newsletter US-2012-07 dated July 31st, 2012, Epibond® 156 A/B adhesive will be replaced with our new, REACH-compliant Epibond® 156-1 A/B adhesive due to the discontinuation of one of the raw materials used in its current formulation.

At this time we want to inform you that production of Epibond® 156 A/B adhesive will cease as of September 15th, 2012. Also, we want to confirm that all of the orders for Epibond® 156 A/B adhesive products placed on or before September 15<sup>th</sup>, 2012 can be honored and fulfilled. After that date new orders will be accepted until our existing inventory is depleted.

Below is a list of the existing SKUs of Epibond® 156 A/B adhesive along with their corresponding replacement SKUs.
